Jesmonite
£1250 per m2

Ceramic high gloss metallic finishes
Cast metal plated or powder coated finishes
£1850 per m2

Marbles
£2100 + per m2

Half tiles are generally required in order to create straight lined-edges for our surface artworks.

The four longest edges are included in the above per m2 pricing. Additional edges are charged at £90 per linear meter.

Projects using mixed materials/finishes carry a 15% surcharge.

Projects under 10m2 carry a variable% surcharge, dependent on project specifics.

Prices are exclusive of VAT (where applicable), packaging and delivery.
